

## Lamoka-Waneta Lakes' Association Membership Application

Show your support by joining the Lamoka-Waneta Lakes' Association to help maintain the beauty of our lakes for future generations. Each paying member will receive a newsletter, calendar of events magnet and directory/supplement. More importantly, the more members LWLA has demonstrates the support the board has when working with DEC, NYSEG and other gov't agencies.

Membership is \$20.00 per calendar year. Anything over \$20.00 for a given year will be considered a donation. The LWLA is a 501(c) 3 non-profit organization. Therefore, your membership dues and donations are tax deductible. New this year to make it easier to join LWLA now accepts credit cards on our website, [www.lamokawaneta.com](http://www.lamokawaneta.com). LWLA cannot accept credit cards written on this application.

Where appropriate please update your information below, including email address, to ensure you get future LWLA communications. If not paying online, please return your dues, donations and this membership application to: LWLA, PO Box 55, Tyrone, NY 14887-0055. If not joining, LWLA would still like to receive updated information for our LWLA records.

### Owner Information:
